

Geography Vision and Design

	Responsible	Confident	Successful
Vision	<p>We want our children to be responsible global citizens by:</p> <ul style="list-style-type: none"> · Being open-minded, respectful and responsible individuals of the world inspiring them to want to contribute, take action and have their say on local and global issues. I.E. sustainability , the environment, poverty · Having the skills and knowledge to be able to make a difference in the world - Contributing to society by being caring and looking after our environment. - Challenging injustices or different opinions respectfully for their own and other people’s beliefs and cultures. Allowing them to understand and value the country we live in. - Being able to work individually and as a team. 	<p>We want our children to be confident geographers by:</p> <ul style="list-style-type: none"> · Expressing their own opinions to others through their voices, movement and what they create. · Seeing themselves as ‘geographers with an understanding of the subject and that sense of purpose. <p>Having the vocabulary, sense of belonging and range of experiences needed to access the same opportunities as their peers.</p> <ul style="list-style-type: none"> · To have a strong knowledge of people, places and cultures around the world · An ability to explore, enquire, investigate, analyse and make connections · A strong understanding of how the world is changing 	<p>We want our children to experience success at Bowling Park and beyond by:</p> <ul style="list-style-type: none"> · Being able to produce purposeful outcomes · Being able to confidently take part in conversations with their peers and others · Experiencing a number of fieldwork trips and excursions to broaden their experiences with the wider world · Having the agency to take some form of action on a topic of interest before they leave year 6

Geography Vision and Design

	Cross-curricular	Experience-driven	Language-rich	Diverse
Design	<p>Wherever possible opportunities are provided to make links across other subject areas including Maths, English, Art, DT, languages, PE, and History. This will allow students to practice and apply their geography knowledge and skills in new ways.</p>	<p>Where possible, experiences are provided to give children a hook into their Geography lessons. This may be trips, residential visits, videos/documentaries, high-quality images, discussions, drama, fieldwork, experiments.</p>	<p>Word of the day is taught in every geography lesson. Keywords are displayed on the working wall and referred to in lessons each week.</p>	<p>Children have access to a wide range of literature so that books are 'windows and mirrors' where children can see their own lives and experiences reflected in the stories they read whilst also gaining an insight into the lives of others.</p>

Characteristics of a Geographer

Our journey could lead your child to...

Travel and Tourism

Working in travel and tourism is a career for those that like helping people find the holidays of their dreams! You need an excellent knowledge of people and places to be the best at this job!

Primary or Secondary School Teacher

A teacher of geography that can inspire the next generation of geographers

Charity Work

Many geographers turn their love for the environment and planet Earth into a career in charity work. Sustainability and environmental protection are huge topics of debate in today's world and there are plenty of charities for people to work for if you want to support these issues. For example: Greenpeace, Earth Justice, Friends of the Earth International .

TV presenter

Many geographers end up working in TV, exploring the world and delivering their explorations and travel adventures with us back at home on our TV screens.

Conservationist

Conservationists have a passion for the environment and dedicate their lives to saving planet Earth. They may work for a charity or set up their own business.

Tour Guide

Someone who shows visitors around a place.

Travel Writer (Journalist)

Many travel magazines require journalists to write about people, culture and events around the world. If you're a budding writer with a passion for geography, this could be the job for you.

Significant People in Geography we can look up to

David Attenborough

Laura Dekker

Ernest Shackleton

Mollie Hughes

Dr. Keith Yearwood

Kate Humble

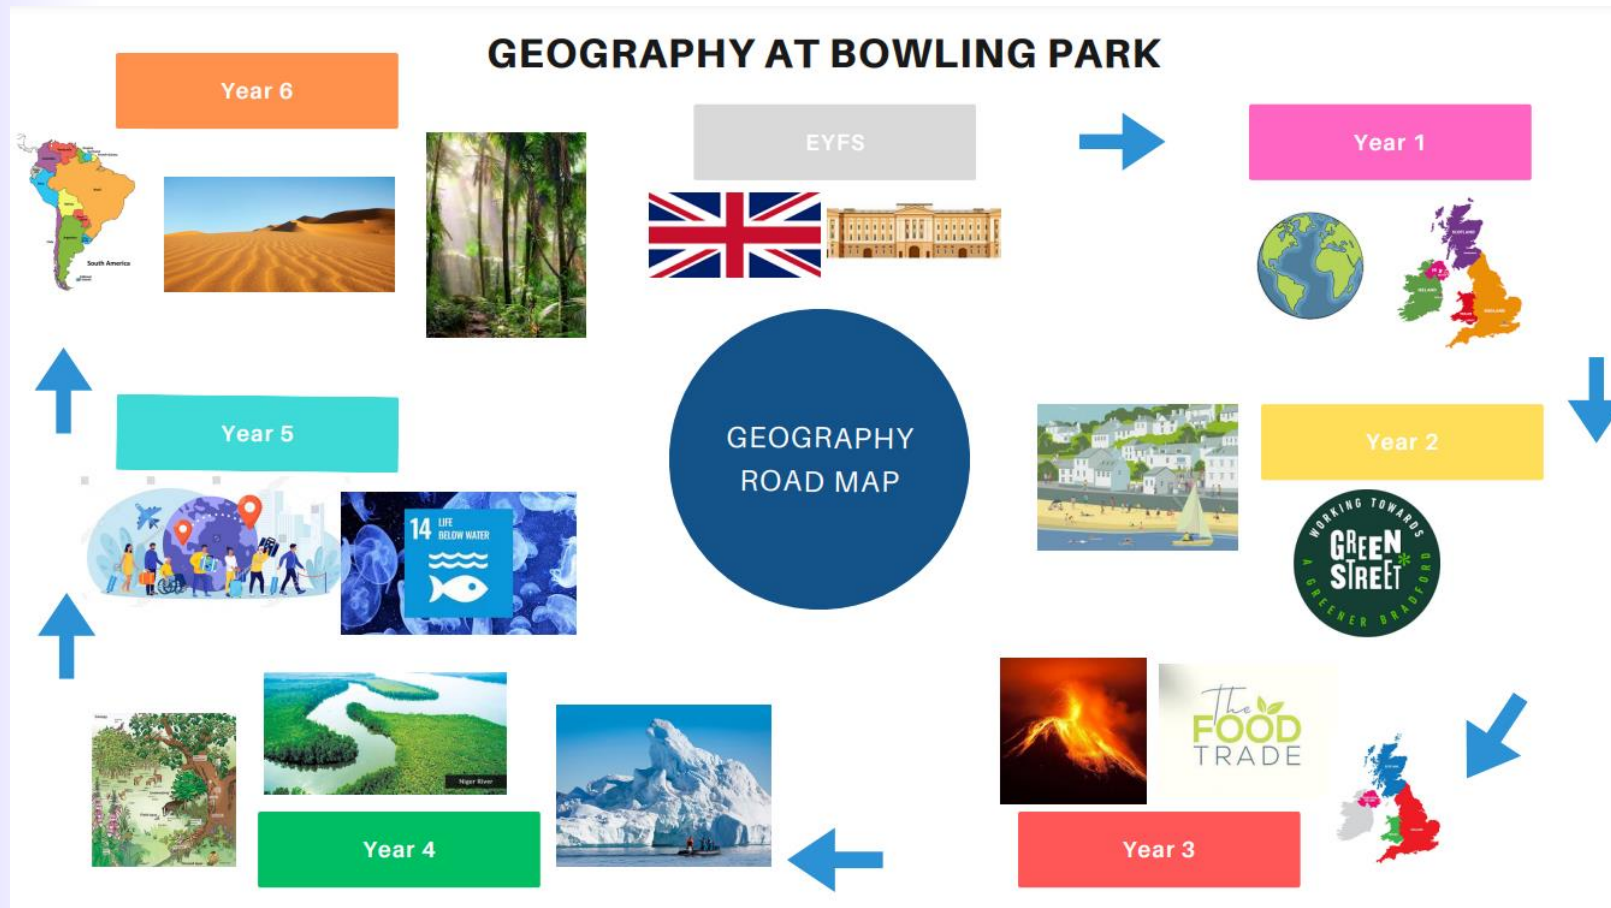

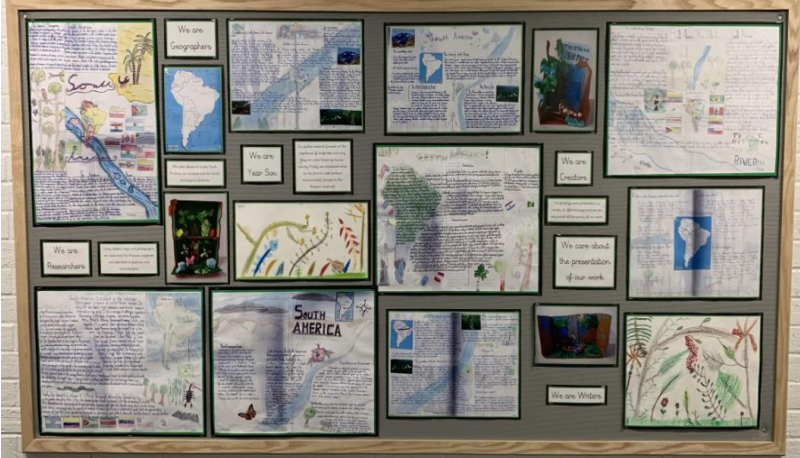

Michael Palin

Francisca Rockey
